

Birth Tourism

By Gerald De Guzman

Interest in topic

- What is birth tourism you may ask? Birth tourism is to travel to another country for the purpose of giving birth to that country. Basically getting citizenship for the baby in that country. It's a big issue on island and in the U.S as well.

Outline

- I'll introduce with a quote and then start talking about birth tourism
 - My essay is surrounded by my primary question and secondary question. It's my building blocks in my essay.
- 

Outline cont.

- Primary question: How does Birth Tourism impact the economy?
 - Secondary question: Is birth tourism supported in the CNM?
- 

Outline cont.

- I got interviews from local residents here on island.
 - I got some research online about birth tourism and how it affects them in the U.S.
 - Paraphrases for both intels.
- 

Outline cont.

- I got the pros and cons about how Birth tourism impacts the economy and the environment around us
 - A conclusion that summarizes my main points into this essay
 - I got my reference page ready and names of the residents I interviewed.
-

Schedule

- Week one: Decide on a research topic
- Week two: Come up with primary and secondary questions. Interviewed some local residents. Do some research online and try to implement them for your essay. Turn in your first rough draft
- Week three: Present my argument for my essay to the class.
- Week four: Do some final touches on your final draft and turn it in.
