# **Research Question #1: What to do when a Child speaks out about being abuse?**

With this research question, I would be explaining and detailing down about what to do when a child speaks out about he/she is being abuse. Here are some examples:

- Listen carefully to the child
- Let them know they've done the right thing
- Believe in them
- Explain what you'll do next

## **Research Question #2: What are some ways to prevent child abuse?**

With this research question, I would be explaining and detailing down about ways to prevent child abuse. Here are some ways:

- Understanding Child Abuse
- Talk about child abuse
- Stay Alert
- Get Involved (support and volunteer organizations that fight the tragedy of abuse)
