

- ① I sympathized my friend when the mom got in to a very bad accident.
- ② Rich people can afford buying an extravagant car, house and other things that they want in life because they have a lots of money.
- ③ The theory of my cousin's death was not apparent.
- ④ Mostly nerds are the ones who really serious about their education.
- ⑤ My friend's handwriting is very legible.
- ⑥ When I ~~first~~ ~~start~~ start my freshman year in college, it feel more easy, but when I take the higher level I started to felt the burden of it.
