Topic: Actions to Stop Spreading Covid-19

Introduction:

My Community issue: whether the actions of quarantine is effective controlling covid19 numbers in the CNMI.

Thesis: nowadays, covid19 is world spreading. The contagious of this virus is very high. Quarantine is very important to stop spreading the virus.

Body:

Paragraph I:

1. Arnold Palacios, the acting governor of the CMNI, declared a State of Significant Emergency for the CNMI due to the imminent threat Coronavirus Disease 2019 on February 28, 2020.
2. Develop and implement protocols, quarantine measures and other increased monitoring and controls at the Commonwealth airports and seaports as to all arriving travelers.
3. Why quarantine?

Paragraph II:

1. What is quarantine?
2. On March 23, 2020, Governor Ralph DLG Torres ordered all individuals entering the CNMI to quarantine at a designated site for 14 days.
3. On April 1, 2020, Ralph DLG Torres gave a detail instruction on implanting social distancing to prevent spread of COVID-19.

Paragraph III:

1. Steps of quarantine for general incoming travelers.
2. Steps of quarantine for unaccompanied minors.
3. Stay at home, stop the spread.

Conclusion:

So far, the action taking to prevent spread COVID19 is very timely and effectively by our governor. We effectively controlled the number of COVID19 in the CNMI.
