

Sexual Harassment

How can we help people who's been Sexual Harassed?

Research question #1: How can we help people who's been Sexually Harassed?

With this research question I'll be able to help the people who's Sexually Harassed by giving them ideas as to what they should do to slowly heal their pain. Not only it can help the victim but it can also help the friends or family to comfort them. Here are some ways:

- ✿ *Listen the the victim*
- ✿ *Let them vent out the feelings*
- ✿ *Let them know they didn't do anything wrong*

Research question #2:
